411	em-bel-lish: Wearable Art	419	Terrific Tops		
		420	Outerwear for Anywhere		

Judging Time: All of these projects will be judged on July 16, July 28 or August 9. **Appointments for judging can be made beginning June 22 by calling the Extension office at 419-281-8242 or emailing blackford.10@osu.edu.** We are also exploring on-line scheduling so be watching your Friday newsletters for info. Members wishing to earn a chance to represent Ashland County at the Ohio State Fair must come to the July 16 judging.

All members taking a clothing construction or clothing selection project are invited to take part in our 4-H Style Revue to be held on August 13. In order to participate, the member must be judged at one of the above judgings and indicate their desire to participate in the Style Revue by filling out a narration card at judging. The Style Revue will take place in conjunction with the FCS and Still Project Awards Night Celebration.

Bring to Judging: For **all** projects above **bring completed project book/records and any other items you would like to show the judge. For all construction projects, bring pattern used and completed consumer shopping sheet.**

See the list below for additional specific items that must be brought/modeled for certain projects:

406: Model outfit made (minimum of two pieces or a one-piece garment with sleeves). Bring an example of one of your clothing repairs.
407: Model a minimum of one accessory made to complete each outfit and model that outfit.
408: Model costume made.
409: Model one item of clothing made from an "easy" or "beginner" pattern and bring pin cushion made.
410: Model one item from project book with selected outfit.
411: Model one garment using one or more embellishment techniques.
412: Bring completed outfit or three adapted garments for a person with a disability. "Other" is encouraged to model outfit.
413-417: Model garment made.
418: Model the outer layer of the lounging outfit made.
419: Model top with selected outfit.
420: Model advanced level coat, jacket or cape made.
423: Model one garment made.
424: Model outfit made. Bring an example of one of your clothing repairs.
425: Model outfit you have put together in the project. Bring an educational display about one of the activities in the book.
426: Model outfit made (minimum of two pieces). Bring an example of one of your clothing alteration/recycling experiences.
430: Bring an educational display from one of the activities in the project book. Model an outfit you have assembled from your wardrobe.
432M: Bring item(s) made in project and any other supporting material.

NOTE: All outfits modeled should include the "total look" - accessories shoes, etc., that complete the outfit.

Fair Exhibit: Items made or educational display.
