## 2023 Fair Booth Registration This year's fair booth registration is due by Friday, July 14, 2023

This year's booth theme will be:

## "Surf's Up"

Special Note: Clubs who set up a booth will include both their Still and FCS projects in the booth in Mozelle Hall. Cloverbud members can also display their activities in their club's booth.

If a club has **fewer** than 5 FCS/Still projects, they may put those projects in the Miscellaneous Booth.

Booths will be 8', 12' and 16' in length. Please select a size on the registration form below that works with the number of projects you have to be displayed. Clubs with the most FCS and Still projects will be given first priority for the larger booths.

Each club with a club bank account that sets up a booth will receive a \$20.00 premium.

Clubs with 5 or more FCS and Still projects <u>MUST SET UP THEIR OWN</u> <u>BOOTH.</u> Small clubs may combine with another small club to do a booth together.

## Fair Booth Registration\*\*\* Return by July 15!!!
