## 2021 Market Chicken Essay Contest

**Due to Extension Office by Friday, June 25**

The 4-H Poultry Committee is sponsoring an essay contest for all youth who would like to take market chickens this year at the fair. The youth must agree to join 4-H this year and use the market chickens as a 4-H project. The entry should consist of a cover page with name, address, phone number, age, name of 4-H group and a signed statement of parental approval. The essay should be a minimum of one page with no identifying names and include the following general topics:

- What goals the member will set for project?
- How will the animal be cared for?
- What housing facilities are available for the animal?

**Up to 15 chicks** will be awarded to the winner!

Essay entrants should pay for their birds and, if selected as the winner, will be reimbursed by the committee.

**Essays for these give-aways due in the Ashland Co. Extension office by Friday, June 25.**
