Club Advisors

For those club members that have projects that involve taking a live animal to the fair, club advisors will complete their interview judging/record book review. The livestock rubrics will be filled out online this year.

Below is the link to the online rubric to complete for each of your livestock members. Remember, a rubric needs to be filled out for EACH of the member's projects. For example, if a member has a breeding sheep project and a market lamb, two rubrics would need to be filled out for that member. This is to be completed by August 24.
