Club Advisors

For those club members that have projects that involve taking a live animal to the fair, club advisors will complete their interview judging/record book review. The livestock rubrics will be filled out online this year.

Below is the link to the online rubric to complete for each of your livestock members. Remember, a rubric needs to be filled out for EACH of the member's projects. For example, if a member has a breeding sheep project and a market lamb, two rubrics would need to be filled out for that member.

This is to be completed by August 24.

Photography Opportunity

Ashland County Soil and Water Conservation District is in the process of creating a new Ashland County plat book. This book includes information such as property lines, land ownership, and parcel information and acreage.

They are in need of a picture to showcase on the cover of the book. The pictures can be of scenery, flowers, people, or anything else as long as it was taken in Ashland County.

Anyone can enter a picture to be considered. Photo credit will be given in the plat book.

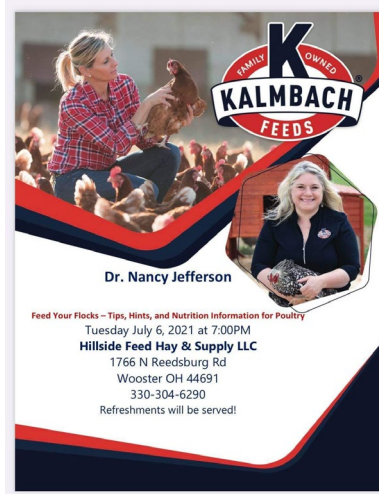

For additional information or to submit picture, contact:
