Ear Tags Now Available for Feeders & Market Animals

Ear tags are now available to tag your market animal and beef/dairy feeder.

Sheep, goat and feeders will have the 840 EID tags.

This year, swine tags will be the traditional fair tag (not 840 EID tags) due to an issue with our tag order. If your hog already has an 840 EID tag, do not remove it. You should record that 840 EID tag number in 4Honline. If you need an 840 EID tag for your hog to show at the State Fair, please contact your breeder, vet or the Extension Office.

We ask that club advisors survey their members to know how many tags their club will need for this year.

Ohio Administrative Code Livestock Exhibition Rules

When reviewing the *OAC 901-19* (Ohio Administrative Code Livestock Exhibition Rules), here is a document to help clarify definitions and understand the expectations that must be met for all youth Junior Livestock Exhibitions in Ohio. <https://ashland.osu.edu/sites/ashland/files/imce/Ohio%20Youth%20Livestock%20Exhibition%20Rules%204.17.23.pdf>

- **PLEASE NOTE:** counties may have ADDITIONAL rules in place and guidelines to meet, in order to be eligible to exhibit. For Example: *The deadline for Quality Assurance completion in Ashland Co. is June 1- even though it is well before the 45 day deadline outlined in this document*
- Please refer to Project Guidelines on our website and the Jr Fair Book for additional information on county specific rules.

4-H Project Books

The State has increased the cost of 4-H project books. Most books will now cost \$8, with resource books and a few others costing more. While the Extension Office will keep a stock of livestock record books, we will no longer keep a stock of all the still project books due to expense and books outdated before being purchased.

We are asking that 4-H clubs take orders for any books their members may need and turn it in to the Extension Office so we can order those books needed for this year. We will place project book orders as we receive orders from clubs. Please allow 10-14 days from when you submit your order for the books to arrive at our office.

Club advisors, here is a order form to help you identify the books your club will need for the year. [4-H club project book order form](#)

Livestock Project Judging

You will be required to come to project Livestock judging before the fair with a completed record book! You may re-use a current project book and update the topics of interest, project activities, youth parent agreement etc.(dates will need to reflect current year) however you are going to be required to have CURRENT YEAR, completed records, for each livestock project!

For example: if you have a breeding goat and a market goat, those are separate projects and will require separate records. If you have two market goats, that is the same project and those records may be combined. In addition to a project book you may use the following tool--2023 Livestock Record--to meet the record keeping requirement. If you keep another form of electronic records covering these items, you may print and submit those at judging.

[2023 Livestock Record](#) : Use only if you are re-using a project book more than one year. This ensures you have current year records.

The record component will make up a significant portion of the members grade and the expectation is that each 4-H member will have completed records. It is recommended that an adult should review the record prior to judging.

Extension Office Parking Lot

We recently received notice that the large parking lot across from our building will be closed starting Monday, April 3 for renovations. For now, if space permits, visitors may park in the small parking lot on the same side as our building, but please respect the parking spots that have signs posted.

The small parking lot beside our building will also be closed for renovation after the upcoming election. When this lot also closes, the county has asked that anyone needing to park for our office park at the county lot north of the Courthouse on 3rd street or in the visitors lot east of the Jobs and Family Service Center 15 W. 4th Street.

We realize this is an inconvenience, especially at such a busy time of year picking up tags and project books. An alternative is to pick up your tags at the Fair Office on the Fairgrounds Monday-Friday 8am-4pm.
