Enrollment for 2020-21 4-H Year

The new 4Honline system is now open for enrollments. However, there are still a few "bugs" they are working out. So unless you need to enroll for Shooting Sports, we suggest waiting until December to enroll.

Attached is a guide to help you through the process. A few quick tips are:

- *If you already enrolled for 2021 in the old system, this did not carry over. You will need to enroll for this year in the new system.*
 - *Do not use autofill for phone numbers or signing your name to consents.*
 - *Unit means Club*
 - *Committee members, please choose program volunteer as your volunteer type.*
 - *Cloverbuds please choose 710 Cloverbud Activities for your project.*

Volunteer Background Checks

We have learned that the due date for fingerprint background checks for volunteers who need it redone this year will be February 28, 2021. As soon as we are given the information from the State 4-H Office, we will be notifying those volunteers who need it done

Shooting Sports

The Ashland County Top Shots 4-H Club will be starting their meetings in January.

Once members have enrolled at 4Honline (see enrollment information above), they will receive a packet of permission forms in the mail for their disciplines.

Classes will be available for beginning archery, pistol, rifle and shotgun as well as intermediate and advanced classes in those same disciplines. **Attached is a preliminary schedule for the different classes.**

Please contact Joan Stauffer, Ashland County Shooting Sports coordinator, at mom.stauffer@gmail.com if you have questions.
