Top Shots

The Top Shots Shooting Sports Club leaders are meeting soon to begin plans for the coming year.

We hope to be able to share that information soon and get registration started.

Please be watching your email toward the end of this month for more information.

Returning members, please do not register online yet as our system is going to be upgraded on November 1 and registration cannot be done until after that.

2021 Enrollment on 4Honline.com

The 4-H Online Enrollment system is being upgraded this year and **will not be available for members and volunteers to enroll/reenroll until after November 1, 2020.**

When it is ready we will be sending information out to everyone about the new features and will include helpful information for new and returning families.

Please stay tuned!

Because of the 4-H online changes happening this fall, those volunteers who need to update their fingerprint background check will not be asked to do so until sometime in the month of November.

If this is the year you need to update yours, you will receive a letter from me later this fall. We will be allowing plenty of time to get the check done but please be looking for this notification by mid-November.

They may not be published weekly during these off months.**
