Come to a Spring Break Science Camp!

Choose from these fun sessions - Pick one, two or even three over your spring break!

**Monday, April 16**  
**Diggin’ in the Dirt**
Plant some flowers, explore different soils, learn about some amazing insects and perform a lot of nature experiments. We will also make some dirt pudding.

**Wednesday, April 17**  
**Flying High with Science**
Design, build and create different machines and contraptions as you learn about engineering concepts. Test out your ideas and problem-solving abilities. Lots of hands on fun!

**Monday, April 22**  
**Color My World**
Perform fun and sometimes messy experiments and learn all sorts of cool science facts as we mix, stir and bubble our way to fun all while exploring the science and wonder of color!

All sessions run from 10 a.m. to 1 p.m. and will be held at the Ashland County Extension office located at 1763 State Route 60, Ashland. Lunch and snacks are included.
